

Bucket Hat Pattern - Child and Baby Sizes

Watch our instructional video on our YouTube channel for instructions.

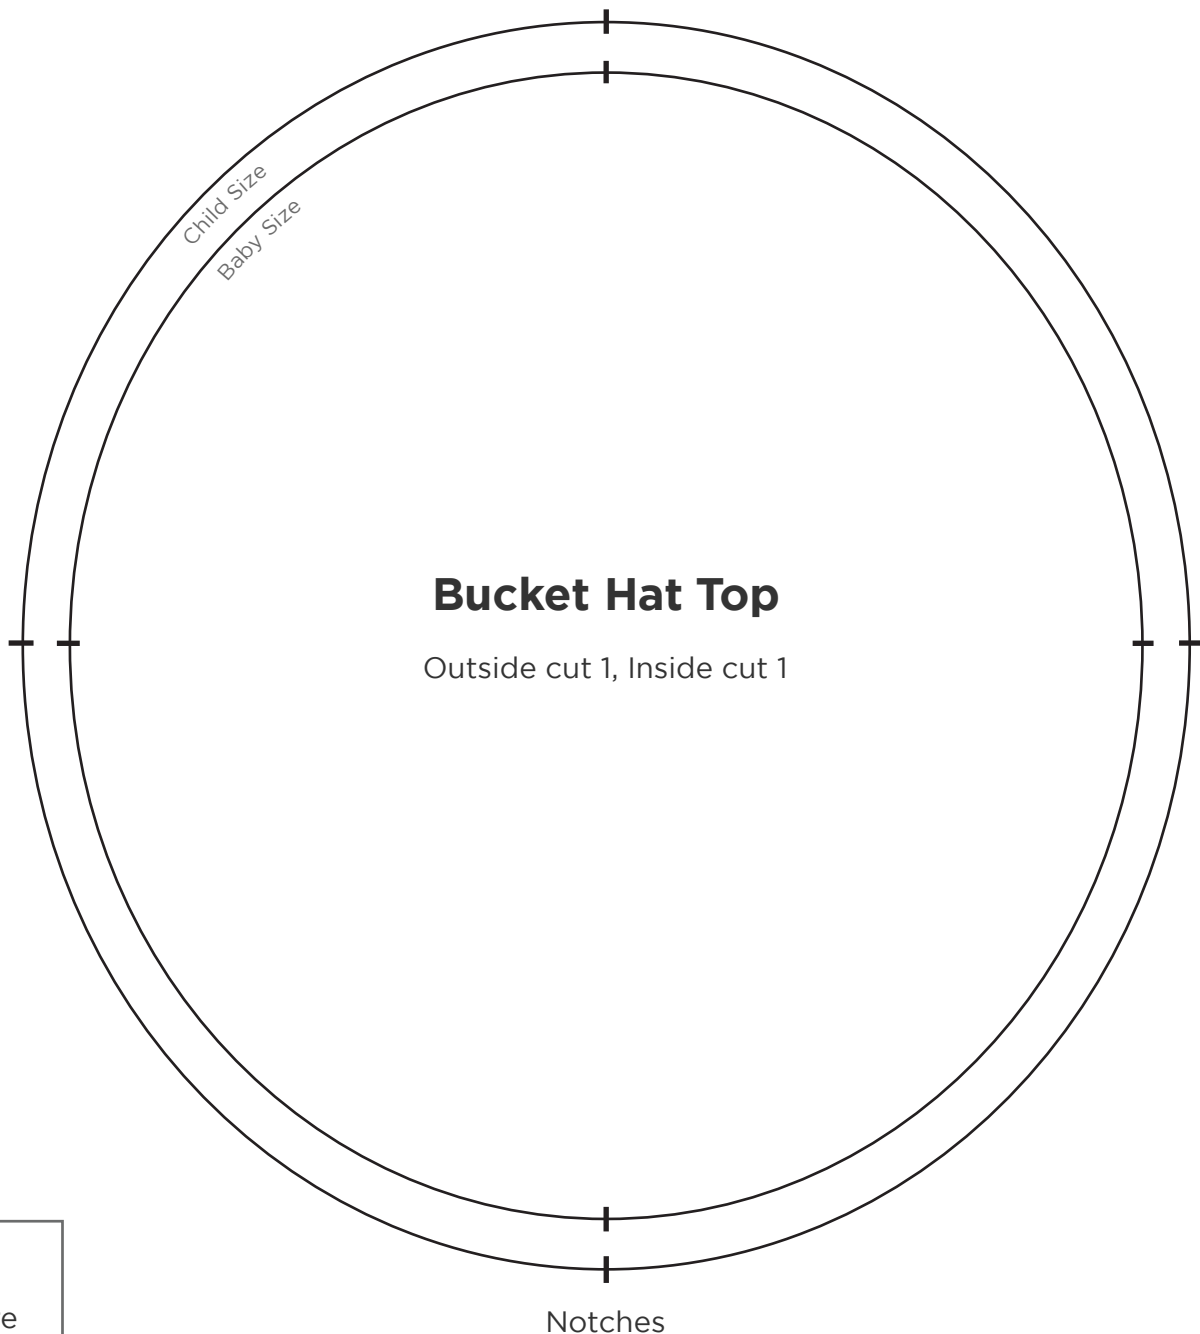

Finished child size is about 21.5" crown circumference, baby size is about 19.75".

Print on US Letter (8.5" x 11") at 100% scale. 1/4" seam allowance included.

When cutting the crown and brim, align fabric grain parallel to the fold lines.

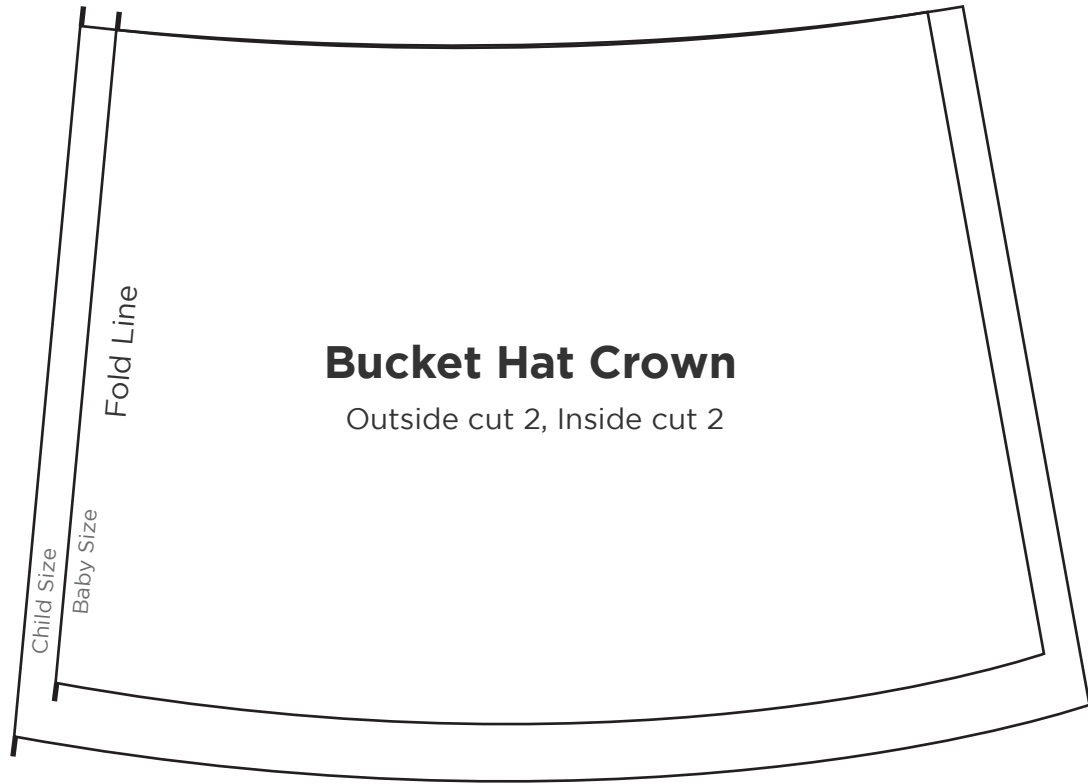

Optional: use fusible stabilizer on the outside layer of fabric for a sturdier, more shaped hat.

Optional: for a wider brim, add 1/4" to the bottom of the brim.
